## UNIFORM

**UNIFORM** - The Scout uniform must be worn with pride. The new uniform includes – the navy cub shirt, for the trousers they can be light-coloured shorts/trousers (light colour is beige/stonewash/light brown. **NO JEANS OR BOARDSHORTS ARE ALLOWED AT ALL.**

### **SHOES – (I quote this from the leaders hand book)**

All cubs and leaders may not own a pair of leather shoes or boots. Sneakers are often an option worn by cubs and leaders – **HOWEVER THESE MUST BE BLACK ONLY!**

Boots or sneakers they still need a brush. The uniform needs to be clean.

Socks – May be black or navy.

**SCARF:** The Group Scard must be neat and clean. The scarf needs to be rolled properly and worn correctly.

### **THE HAT.**

Baden.Powell always stressed the importance of a hat. He said that it is the most sacred part of the uniform and must be worn with pride. It could have many uses in scouting but the most sensible one is for protection.

**A CUB HAT WAS THEREFORE ADOPTED BY MOST PACKS AND IT MUST HAVE A BRIM 7 CM WIDE.**

The navy hat (Chapell Hat) that you can buy from the scout shop is a good and approved design and is therefore recommended by most packs. This hat can be used on outings also.

**Baseball caps are not permitted.**

**UNIFORM INSPECTION:** this is to be held at the very start of a meeting. There is a routine or system in the pack to do so. The Sixers and Seconds are briefed and taught on what to inspect in their Sixes. A cub who is not in full uniform is unable to be part of the flag colour party or be the flag bearer.

We look forward to your support and help in the above.
